## **Letter of Recommendation**

To Whom it May Concern:

It is my pleasure to provide this letter of recommendation to Harsh Mewada who has successfully completed a 1-month internship in the field of Data Analysis with us during this period.

We found him to be a hard-working and a punctual person as they completed all the assigned tasks well and on time. Their dedication and perseverance are commendable and we were privileged to have them as our teammate. They have been an asset to the company and their conduct and performance on the job have been excellent.

I would recommend Harsh Mewada for prospective opportunities.

Best Regards,
